

OFFSHORE CHEMICAL TANKS**RENTAL AND SALE**

OEG Offshore provide a full range of T4, T7, T11 and T14 UN portable offshore chemical tanks (tote tanks) approved under IMDF / ADR / RID for the safe storage and transportation of a wide range of chemicals. Tank capacities range from 1,100 litres up to 20,000 litres and are designed to meet customer's vessel capacity, valve type and operating environment. Custom tanks are available for purchase as well as double skinned self-bunded tanks available in some regions

Offshore tanks supplied meet all specific requirements of the latest international standards and approvals under IMDG, ADR/RID, DNV 2.7-1 & EN 12079 or ISO 10855.
