

RENTAL AND SALE

OEG's range of Mini Containers have been designed and manufactured in accordance with the latest international standards for offshore lifting. The units are supplied with certified slings and shackles as standard. All units are stackable where deck space or yard space is at a premium and are supplied with door cargo nets and fitted with a mid shelf if required. The base has integrated forklift pockets which provides access to all sides for ease of yard loading and offloading.

Mini Containers are supplied with internal tie down points throughout the interior providing strong points to secure cargo. Full offshore paint system blasted SA2.5 + 3 coat system applied. Units can be delivered in customer's paint colour with logos/decals fitted fully branded, ready to go to work.

Equipment supplied meets the specific requirements of the latest international standards & approvals. DNV 2.7-1 or ISO 10855, SEPco / API / DOT / CFR.
