

### RENTAL AND SALE

OEG Offshore Drum Baskets have been designed and manufactured in accordance with DNV 2.7-1 / BSEN 12079 or ISO 10855. The units are supplied with certified slings and shackles as standard.

All units are stackable where deck space or yard space is at a premium.

Drum Baskets are provided with full width side door access. The base has integrated forklift pockets for ease of yard loading and offloading. Units are supplied with internal tie down points through out the interior provide strong points to secure cargo.

Equipment supplied meets the specific requirements of the latest international standards and approvals. DNV 2.7-1 or ISO 10855, SEPco / API / DOT / CFR.
